

# Cold Chain Packaging Solutions Leader

**RENTALS AND LEASING**

## TWO HIGHLY CUSTOMIZABLE PROGRAMS

Peli BioThermal offers Crēdo™ on Demand, a short term rental program and Crēdo™ on Reserve, a flexible, longer-term program, usually for periods of two years or more. Both programs are supported by a comprehensive global network, offering easy implementation, the ability to monitor outbound shipment, return receipt, inspection and refurbishment. Replacement of damaged or expired components is also available via our service centers.

Both programs allow you to choose the application that best fits your company's requirements, logistics profile and budget. Our temperature controlled packaging provides industry leading thermal performance technology paired with flexible cold chain shipping rental options, to help lower your cost-per-use, while experiencing the industry's highest payload volume efficiency and lowest distribution costs.

### Sustainability

Rent. Reuse. Recycle. We're on a journey to protect our environment and our planet one package at a time.

### Innovation

Our team thrives in the area between problem and solutions to develop cold chain packaging innovation.

### Reliability

Our customers trust us with their most valuable, health-giving and life-saving products.

# Thermal packaging solutions on a global scale

Peli BioThermal's innovative single-use and reusable thermal packaging products are used by leading global life science industry companies and organizations in pharmaceuticals, biotech, laboratory, diagnostics, and military/government sectors to protect and safely transport their most critical temperature-sensitive tissues, biologics, diagnostic, devices and vaccines. We offer the most diverse and trusted selection of cold chain packaging solutions, worldwide manufacturing and service centers staffed by cold chain engineering experts and provide an easy-to-use, web-based asset management service that allows organizations to track individual shipments from start to finish while setting up automated reminders for key logistics processes.

## PERFORMANCE YOU CAN DEPEND ON

All Peli BioThermal products are qualified against the highest standards, including the ISTA 7D standard.

### CRÊDO™ ON DEMAND

Our Crêdo™ on Demand is a globally available, high performance, flexible, cost effective cold chain shipping rental program using our passive cold chain containers – Crêdo Cargo™ and Crêdo Xtreme™. Flexible daily and monthly rental rates are standard when picked up from and dropped off at Peli BioThermal locations worldwide.

### CRÊDO™ ON RESERVE

Our longer term rental program, offering a dedicated inventory for longer periods, usually two years or more, while paying for a minimum number of trips during that period and a fixed rate for each trip beyond that minimum. Service fees for refurbishment and repair are included for the duration of the period.
